BA100

BALANCED ARMATURE HEADPHONES

SIGNATURE SOUND

A SUPERIOR LISTENING EXPERIENCE

The TDK Life on Record Balanced Armature In-Ear Headphones elevate the personal listening experience. Designed without compromise, they deliver the ultimate in comfort and craftsmanship alongside superior sonic range and high fidelity.

Mastered by our Audio Research Lab to deliver authentic sound, the TDK BA100 headphones are sonically optimized with an innovative, sound isolating design ensuring a superior acoustic experience for any genre, at any volume. With high-performance, balanced armature micro drivers, these headphones deliver pristine vocals and rich bass for a superior listening experience. They are also practically designed to deliver optimal fit and comfort while allowing you to customize the experience with multiple ear tip options, and more. Create the best personal listening applications at home, on the go, or while exercising. In addition, the TDK BA100 headphones boast a sleek, stylish look, giving music enthusiasts a visually stunning audio accessory without compromising either sound quality or comfort.
